CUBA LIBRE!

THE PARTY SDMA kicked off its quarterly **Culture & Cocktails** series with **Havana Nights**.

THE PLAYERS The museum's board of trustees just returned from a scouting trip to Cuba and treated C&C partygoers to two new works by island artists Pedro Pablo and Sandra Ramos, which are entering the museum's contemporary art collection.

THE SCENE Fedoras, ruffles and fresh flowers were the sartorial flourishes as guests gathered under the rotunda for Old Havana rum cocktails and hand-rolled cigars. Meanwhile, outdoors at Panama 66, the museum's courtyard eatery, eclectic trio Besos de Coco wowed the crowd. —Amy Finley
